

“If widely read this book could trigger a seismic shift in positive outcomes”

*“Don't let this one get away! I'm going to recommend **Outwitting the Devil** to everyone I care about! I suggest you do the same - and start with yourself.”*

“We are all working to ‘outwit the devil’ as we struggle to be the best we can be. This central theme of this work comes at a time when we need it most as, now more than ever, we live in a time that demands that good men stand and ‘do the right thing.’”

Bonnie Elosser (Amazon.com)

“Once again, this book shows that Napoleon Hill was decades ahead of his time. His insight into human nature and in our spiritual-selves is incredible. To truly take in what he says in this book is to know freedom from the very things that hold us down spiritually and financially.”

– J.K. Fowlkes (Amazon.com)

It was an honor and a privilege to participate in bringing *Outwitting the Devil* to the world after it was hidden away for over 70 years. Please help me share its wisdom with anyone you know who is looking to improve their lives and achieve their dreams.

Thank you!

Napoleon Hill shares, “Fear is the tool of a man-made devil.” However, in ***Outwitting the Devil*** Hill forces the devil to confess that, “*Those who control and use their own minds escape my web.*”
