

*Q* I understand your devilish nature! Now let us get back to further discussion of your methods of inducing people to drift to hell here on earth. From your confession I see that you take charge of children while their minds are young and pliable. Tell me more of how you use parents, teachers, and religious leaders to ensnare people into drifting.

*A* One of my favorite tricks is to coordinate the efforts of parents and religious instructors so they work together in helping me to destroy the children's power to think for themselves. I use many religious instructors to undermine the courage and power of independent thought of children, by teaching them to fear me; but I use parents to aid the religious leaders in this great work of mine.

*Q* How do parents help religious leaders destroy their children's power to think for themselves? I never heard of such a monstrosity!

*A* I accomplish this through a very clever trick. I cause the parents to teach their children to believe as the parents do in connection with religion, politics, marriage, and other important subjects. In this way, as you can see, when I gain control of the mind of a person I can easily perpetuate the control by causing that person to help me fasten it upon the minds of his offspring.

*Q* In what other ways do you use parents to convert children into drifters?

*A* I cause children to become drifters by following the example of their parents, most of whom I have already taken over and bound eternally to my cause. In some parts of the
