

2. Have the courage to be your own constructive critic. Seek out your faults and weaknesses and then correct them. This makes you a professional.
3. Stop blaming luck. Research each setback. Find out what went wrong. Remember, blaming luck never got anyone where he wanted to go.
4. Blend persistence with experimentation. Stay with your goal but don't beat your head against a stone wall. Try new approaches. Experiment.
5. Remember, there is a good side in every situation. Find it. See the good side and whip discouragement.
