

“The single greatest look into the mind of the inspirational legend, Napoleon Hill.”

—GREG S. REID, co-author of *Three Feet from Gold*

“Hill’s teachings are most often associated, in the minds of his modern-day readers, with prosperity, which translates as money in one’s individual coffers. But truth be told, he has shared with the world his wisdom of ‘how-to-live principles,’ beginning with one’s interior being, one’s inner state of consciousness, inviting us to give outer expression to our highest potential not only for our own benefit, but for all humankind.”

—MICHAEL BERNARD BECKWITH,
author of *Spiritual Liberation: Fulfilling Your Soul’s Potential*

“Napoleon Hill’s ageless wisdom has been combined with Sharon Lechter’s ability to communicate with the modern reader in *Outwitting the Devil*, the profound and life-changing sequel to *Think and Grow Rich*. As you read it and then read it again, you will realize that what you think about, you bring about!”

—RITA DAVENPORT, author, speaker, and humorist

“*Think and Grow Rich* revealed the fundamental principles of success . . . *Outwitting the Devil* will reveal what may be getting in your way, how to break through those barriers and achieve the success you deserve.

—JIM STOVALL, best-selling author of *The Ultimate Gift*

“You will discover whether the Devil he interviews is real or imaginary, much like the Devil that you may personally be dealing with in your life and experience.”

—MARK VICTOR HANSEN, co-creator of the #1 *New York Times* best-selling series *Chicken Soup for the Soul®*

“There has never been a more important time for truth than now. I am proud of Sharon Lechter’s bravery to step forward to put God in the center of our lives.”
