### *Introduction*

Thank you for visiting [outwittingthedevil.com](http://outwittingthedevil.com). I was honored to be asked to edit and annotate Napoleon Hill's manuscript. In doing so, this Secret Chapter was taken out of the final book because it was a story in its own right that validates Hill's philosophy on the power of his Mastermind principle.

As he shares his story about an Interview with his invisible counselors, you will understand the importance of studying the wisdom of the greatest minds of history. One of Napoleon Hill's greatest gifts is sharing with us the power of collective wisdom. Alone, we must work long hours and struggle to create success. Together we can speed our way to success by drawing on the strengths of each individual participant.

In ***Outwitting the Devil*** Hill reveals his interview with the Devil and he leaves it to the reader to determine if he was talking to the real devil or an imaginary devil. The brilliance of his manuscript is found in his ability to reveal and expose the self-limiting beliefs which may be preventing each of us from achieving the success we so richly deserve. He shares his own battles with the Devil and times in his life when he was in the depths of despair and depression and how he found his way to success by following the very same principles he shares in ***Think and Grow Rich*** and ***Outwitting the Devil***.

Please enjoy the Secret Chapter, but don't miss out on reading ***Outwitting the Devil***. Here are some of the reviews it is receiving from around the world:
