

Praise for OUTWITTING THE DEVIL

"We are told too often to ignore the existence of the negative and to focus only on the positive. Yet the power comes in recognizing both and learning to deal with them. This book tells a great story and teaches some terrific lessons."

—LARRY WINGET, *New York Times* and *Wall Street Journal*
best-selling author of *Shut Up, Stop Whining & Get a Life!*

"Napoleon Hill's immortal *Think and Grow Rich* was 50 years ahead of its time. His newly discovered treasure, *Outwitting the Devil*, is further proof of his wisdom and his legacy. Hill guides you through true and false, best and worst, and right and wrong, as if he were alive today. This book is not an option for anyone looking for today's insights that will lead you to tomorrow's success and fulfillment."

—JEFFREY GITOMER, author of *The Little Red Book of Selling*
and *The Little Gold Book of YES Attitude*

"If you don't program yourself, life will program you! Napoleon Hill's *Outwitting the Devil* provides you the code to achieve your greatest potential!"

—LES BROWN, The Motivator! author of *Live Your Dreams*

"Hill takes an idea that C. S. Lewis used in *The Screwtape Letters*, expands it, and then presents it in a very personal way. The result is a fascinating look into the mind of Napoleon Hill and how he sees society as blindly programming us for failure. *Outwitting the Devil* may still be too 'hot' to publish."

—DR. J. B. HILL, Napoleon Hill's grandson
