

Great Depression and that *Outwitting the Devil* is the right message for our current times? I believe we see God's hand at work, not the Devil's. I believe *Outwitting the Devil* was not published until God felt it was the right message at the right time... now for us in 2011. It has definitely made a huge impact in my life and I hope that you will find value in it for your life.

*May Napoleon Hill's words bring you  
hope, courage, and, most of all,  
definiteness of purpose for your life...  
Be blessed.*
